The new CLURO Website is live: <https://www.mandevillethrives2045.com/> Citizens can sign up for the newsletter to stay informed about meetings and focus groups. The work plan presentation will be given to the Planning Commission and City Council in late April.

The police department has received numerous complaints of E-Bikes and bicycles riding aggressively in traffic and around pedestrians. Please be aware E-Bikes and bicycles must obey all traffic laws. By following all traffic laws, we can hopefully prevent a tragedy from occurring. Thank you to our Mandeville Police Department for keeping us safe!

I hope to see you at one of the many upcoming events in Mandeville over the next few weeks. As always, please do not hesitate to contact me personally on my cell 985-630-8578 or email [cmadden@cityofmandeville.com](mailto:cmadden@cityofmandeville.com).

Respectfully,

Mayor Clay Madden
