The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and promptly report to the Owner (1) known deviations from the Contract Documents, (2) known deviations from the most recent construction schedule submitted by the Contractor, and (3) defects and deficiencies observed in the Work.

§ 3.4.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents and has the authority to require inspection or testing of the Work.

§ 3.4.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.4.2.4 When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith.

§ 3.4.2.5 The Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.4.3 Certificates for Payment to Contractor

§ 3.4.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.4.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified.

§ 3.4.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.4.4 Submittals

§ 3.4.4.1 The Architect shall review and approve, or take other appropriate action, upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or any construction means, methods, techniques, sequences or procedures.

§ 3.4.4.2 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review and take appropriate action on Shop Drawings and other submittals related to the Work designed or certified by the Contractor's design professional, provided the submittals bear such professional's seal and signature when submitted to the Architect. The review shall be for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. The Architect shall be entitled to rely upon, and shall not be responsible for, the adequacy and accuracy of the services, certifications, and approvals performed or provided by such design professionals.

§ 3.4.4.3 The Architect shall review and respond to written requests for information about the Contract Documents. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness.

§ 3.4.5 Changes in the Work

The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.1.2, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 3.4.6 Project Completion

The Architect shall conduct inspections to determine the date or dates of Substantial Completion and the date of final completion; issue Certificates of Substantial Completion; forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and received from the Contractor; and issue a final Certificate for Payment based upon a final inspection indicating that, to the best of the Architect's knowledge, information, and belief, the Work complies with the requirements of the Contract Documents.

ARTICLE 4 SUPPLEMENTAL AND ADDITIONAL SERVICES

§ 4.1

(Paragraphs deleted)

The Architect may provide Additional Services after execution of this Agreement without invalidating the Agreement. Upon recognizing the need to perform Additional Services, the Architect shall notify the Owner. The Architect shall not provide the Additional Services until the Architect receives the Owner's written authorization. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 4.1 shall entitle the Architect to compensation pursuant to Section 11.3.

(Paragraphs deleted)

§ 4.1.1 The Architect shall provide services necessitated by a change in the Initial Information, changes in previous instructions or approvals given by the Owner, or a material change in the Project including size; quality; complexity; the Owner's schedule or budget for Cost of the Work; or procurement or delivery method as an Additional Service.

§ 4.1.2 The Architect shall, as an Additional Service, provide services made necessary by a Contractor's proposed change in the Work. The Architect shall prepare revisions to the Architect's Instruments of Service necessitated by Change Orders and Construction Change Directives as an Additional Service.

ARTICLE 5 OWNER'S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner's objectives, schedule, constraints and criteria, including space requirements and relationships, flexibility, expandability, special equipment, systems and site requirements.

§ 5.2 The Owner shall establish the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the Project's scope and quality.

§ 5.3 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project; a written legal description of the site; and services of geotechnical engineers or other consultants, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project.

§ 5.4 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the

Owner and the Owner's consultants. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.5 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests; tests for air and water pollution; and tests for hazardous materials.

§ 5.6 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.7 The Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

§ 5.8 The Owner shall endeavor to communicate with the Contractor through the Architect about matters arising out of or relating to the Contract Documents.

§ 5.9 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.10 Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding and price escalation; to determine what materials, equipment, component systems and types of construction are to be included in the Contract Documents; to recommend reasonable adjustments in the program and scope of the Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, construction procurement activities have not commenced within 90 days after the Architect submits the Construction Documents to the Owner the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's current budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall

Init.

- .1 give written approval of an increase in the budget for the C of the Work;
- .2 authorize rebidding or renegotiating of the Project within a reasonable time;
- .3 terminate in accordance with Section 9.5;
- .4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
- .5 implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. If the Owner requires the Architect to modify the Construction Documents because the lowest bona fide bid or negotiated proposal exceeds the Owner's budget for the Cost of the Work due to market conditions the Architect could not reasonably anticipate, the Owner shall compensate the Architect for the modifications as an Additional Service pursuant to Section 11.3; otherwise the Architect's services shall be without additional compensation. In any event, the Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility under this Article 6.B

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums when due pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. § 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A104-2017, Standard Abbreviated Form of Agreement Between Owner and Contractor.

§ 10.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement, including any payments due to the Architect by the Owner prior to the assignment.

§ 10.4 If the Owner requests the Architect to execute certificates or consents, the proposed language of such certificates or consents shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

§ 10.9 Neither Architect nor anyone employed by Architect shall be considered an employee of the Owner for the purpose of unemployment compensation coverage, the same being hereby expressly waived by the parties hereto.

§ 10.10 The continuation of this Agreement is contingent upon the appropriation of funds to fulfill the requirements of the Agreement by the Owner. If the Owner fails to appropriate sufficient monies to provide for the continuation of this Agreement, or if such appropriation is reduced by any means provided in the appropriations act, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the Agreement, this Agreement shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

General Aggregate Limit - Per Project Endorsement

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

It is understood and agreed as follows:

- I. For each single construction or service project away from premises the **Named Insured** owns or rents, a separate Project General Aggregate Limit, equal to the amount of the General Aggregate Limit shown in the Declarations, is the most the Insurer will pay for the sum of:
 - A. all damages under Coverage A, except damages because of bodily injury or property damage included in the products-completed operations hazard; and
 - B. all medical expenses under Coverage C;
 that arise from occurrences or accidents which can be attributed solely to ongoing operations at that project. Such payments shall not reduce the General Aggregate Limit shown in the Declarations, nor the Project General Aggregate Limit applicable to any other project.
- II. All:
 - A. damages under Coverage B, regardless of the number of locations or projects involved;
 - B. damages under Coverage A, caused by occurrences which cannot be attributed solely to ongoing operations at a single project, except damages because of bodily injury or property damage included in the products-completed operations hazard; and
 - C. medical expenses under Coverage C, caused by accidents which cannot be attributed solely to ongoing operations at a single project,
 will reduce the General Aggregate Limit shown in the Declarations.
- III. The limits shown in the Declarations for Each Occurrence, for Damage To Premises Rented To You and for Medical Expense continue to apply, but will be subject to either the Project General Aggregate Limit or the General Aggregate Limit shown in the Declarations, depending on whether the occurrence can be attributed solely to ongoing operations at a particular project.
- IV. When coverage for liability arising out of the products-completed operations hazard is provided, any payments for damages because of bodily injury or property damage included in the products-completed operations hazard will reduce the Products-Completed Operations Aggregate Limit shown in the Declarations, regardless of the number of projects involved.
- V. If a single construction or service project away from premises owned by or rented to the **Named Insured** has been abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, such project will still be deemed to be the same project.
- VI. The provisions of **LIMITS OF INSURANCE** not otherwise modified by this endorsement shall continue to apply as stipulated.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.

Cancellation / Nonrenewal – California

Wherever used in this endorsement: 1) Insurer means "we", "us", "our" or the "Company" as those terms may be defined in the policy; and 2) Named Insured means the first person or entity named on the declarations page; and 3) "Insureds" means all persons or entities afforded coverage under the policy.

Any cancellation, nonrenewal or termination provisions in the policy are deleted in their entirety and replaced with the following:

CANCELLATION AND NONRENEWAL

A. CANCELLATION

1. The Named Insured may cancel the policy at any time. To do so, the Named Insured must return the policy to the Insurer or any of its authorized representatives, indicating the effective date of cancellation; or provide a written notice to the Insurer, stating when the cancellation is to be effective.
2. If the policy has been in effect for less than sixty (60) days and is not a renewal the Insurer may cancel the policy for any reason by mailing or delivering written notice to the Named Insured, at the last mailing address known to the Insurer, and the producer of record. The notice of cancellation will be provided at least sixty (60) days prior to the effective date of cancellation except that in the case of cancellation for nonpayment of premiums the notice will be given no less than ten (10) days prior to the effective date of the cancellation.
3. If the policy has been in effect for more than sixty (60) days or if it is a renewal, effective immediately, the Insurer may not cancel the policy unless such cancellation is based on one or more of the following reasons:
 - a. Nonpayment of premium, including payment due on a prior policy issued by the Insurer and due during the current policy term covering the same risks.
 - b. A judgment by a court or an administrative tribunal that the Named Insured has violated any law of this state or of the United States having as one of its necessary elements an act which materially increases any of the risks insured against.
 - c. Discovery of fraud or material misrepresentation by either of the following:
 - (1) The Named Insured or Insured(s) or a representative of same in obtaining the insurance; or
 - (2) The Named Insured or his or her representative in pursuing a claim under the policy.
 - d. Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards, by the Named Insured or Insured(s) or a representative of same, which materially increase any of the risks insured against.
 - e. Failure by the Named Insured or Insured(s) or a representative of same to implement reasonable loss control requirements which were agreed to by the Named Insured as a condition of policy issuance or which were conditions precedent to the use by the Insurer of a particular rate or rating plan, if the failure materially increases any of the risks insured against.
 - f. A determination by the commissioner that the loss of, or changes in, the Insurer's reinsurance covering all or part of the risk would threaten the financial integrity or solvency of the Insurer.
 - g. A determination by the commissioner that a continuation of the policy coverage would place the Insurer in violation of the laws of this state or the state of its domicile or that the continuation of coverage would threaten the solvency of the Insurer.
 - h. A change by the Named Insured or Insured(s) or a representative of same in the activities or property of the commercial or industrial enterprise which results in a material added risk, a materially increased risk or a materially changed risk, unless the added, increased, or changed risk is included in the policy.

A notice of cancellation will be in writing and will be delivered or mailed to the Named Insured, at the last mailing address known to the Insurer, and the producer of record at least sixty (60) days prior to the effective date of cancellation. Where cancellation is for nonpayment of premium, notice shall be given no less than ten (10) days prior to the effective date of cancellation.

**Cancellation / Nonrenewal – California**

4. The notice will state the actual reason for the cancellation.
5. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
6. If notice is mailed, proof of mailing will be sufficient proof of notice.

B. PREMIUM REFUND

If this policy is cancelled, the Insurer will send the Named Insured any premium refund due. If the Insurer cancels the refund will be pro rata. If the Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if the Insurer has not made or offered a refund.

C. NONRENEWAL

1. The Insurer can non-renew the policy by giving written notice to the Named Insured, at the last mailing address known to the Insurer, and the producer of record at least sixty (60) days but not more than one hundred twenty (120) days before the expiration date.
2. The notice of nonrenewal will state the actual reason for nonrenewal.
3. If notice is mailed, proof of mailing will be sufficient proof of notice.
4. A notice of nonrenewal will not be required in any of the following situations:
 - a. The transfer of, or renewal of, a policy without change in its terms or conditions or the rate on which the premium is based between insurers that are members of the same insurance group.
 - b. The policy has been extended for ninety (90) days or less, if the notice required has been given prior to the extension.
 - c. The Named Insured has obtained replacement coverage or has agreed, in writing, within sixty (60) days of the termination of the policy, to obtain that coverage.
 - d. The policy is for a period of no more than sixty (60) days and the Named Insured is notified at the time of issuance that it may not be renewed.
 - e. The Named Insured requests a change in the terms or conditions or risks covered by the policy within sixty (60) days prior to the end of the policy period.
 - f. The Insurer has made a written offer to the Named Insured, within the prescribed time period, to renew the policy under changed terms or conditions or at a changed premium rate, where the increase is more than 25%. As used herein, "terms or conditions" includes, but is not limited to, a reduction in limits, elimination of coverages, or an increase in deductibles.
5. In the case of conditional renewal, failure of the Named Insured to satisfy conditions provided by the Insurer for renewal, by the expiration date of the policy or sixty (60) days after mailing or delivery of such notice, whichever is later, the conditional renewal shall be treated as an effective nonrenewal.

D. CONDITIONAL RENEWAL

1. If the policy has been in effect for more than sixty (60) days or if the policy is a renewal, effective immediately no increase in premium, reduction in limits, or change in the conditions of coverage shall be effective during the policy period unless based upon one of the following reasons:
 - a. Discovery of willful or grossly negligent acts or omissions, or of any violations of state laws or regulations establishing safety standards by the Named Insured or Insured(s) which materially increase any of the risks or hazards insured against.
 - b. Failure by the Named Insured or Insured(s) to implement reasonable loss control requirements which were agreed to by the Insured as a condition of policy issuance or which were conditions precedent to the use by the Insurer of a particular rate or rating plan, if the failure materially increases any of the risks insured against.
 - c. A determination by the commissioner that loss of or changes in an insurer's reinsurance covering all or part of the risk covered by the policy would threaten the financial integrity or solvency of the Insurer unless the change in the terms or conditions or rate upon which the premium is based is permitted.

Cancellation / Nonrenewal – California

- d. A change by the Named Insured or Insured(s) in the activities or property of the commercial or industrial enterprise which results in a materially added risk, a materially increased risk, or a materially changed risk, unless the added, increased, or changed risk is included in the policy.
- 2. A written notice will be mailed or delivered to the Named Insured, at the last mailing address known to the Insurer, and the producer of record at least sixty (60) days prior to the effective date of any increase, reduction or change.
- 3. The notice will state the effective date of, and the reasons for, the increase, reduction or change
- 4. If notice is mailed, proof of mailing will be sufficient proof of notice.

E. ADDITIONAL PROVISIONS

- 1. Solely with respect to coverage for real property used predominantly for residential purposes and consisting of not more than four dwelling units, and to coverage on tenants' household property contained in a residential unit:
 - a. The Insurer shall not cancel or refuse to renew such coverage existing on the date the Insurer elected to become an associate participating insurer after an offer of earthquake coverage is accepted solely because the insured has accepted that offer of earthquake coverage; and
 - b. The Insurer shall not cancel such coverage unless the policy is properly canceled pursuant to Paragraph A above; and
 - c. The Insurer may not cancel or non-renew this policy solely because the first Named Insured has:
 - (1) Accepted an offer of earthquake coverage; or
 - (2) Cancelled or did not renew a policy issued by the California Earthquake Authority (CEA) that included an earthquake policy premium surcharge.

However, the Insurer shall cancel this policy if the first Named Insured has accepted a new or renewal policy issued by the CEA that includes an earthquake policy premium surcharge but fails to pay the earthquake policy premium surcharge authorized by the CEA.

- d. If the Insurer elects not to renew this policy, the Insurer will mail or deliver written notice, stating the reason for nonrenewal, to the first Named Insured, and to the producer of record, at the mailing address shown in the policy, at least 75 days, but not more than 120 days, before the expiration or anniversary date. The Insurer may elect not to renew such coverage for any reason, except as provided in e., f. and g. below. If the Insurer fails to give the first Named Insured notice of nonrenewal at least 75 days prior to the policy expiration, as required in the paragraph above, this policy, with no change in its terms and conditions, shall remain in effect for 75 days from the date that the notice of nonrenewal is delivered or mailed to the Named Insured. A notice to this effect shall be provided by us to the first Named Insured with the notice of nonrenewal.
- e. The following applies only to insurers who are associate participating insurers as established by Cal. Ins. Code Section 10089.16. The Insurer may elect not to renew such coverage after the first Named Insured has accepted an offer of earthquake coverage, if one or more of the following reasons apply:
 - i. The policy is terminated by the Named Insured;
 - ii. The policy is refused renewal on the basis of sound underwriting principles that relate to the coverages provided by the policy and that are consistent with the approved rating plan and related documents filed with the Department of Insurance as required by existing law;
 - iii. The Commissioner of Insurance finds that the exposure to potential losses will threaten the solvency of the Insurer or place the Insurer in a hazardous condition. A hazardous condition includes, but is not limited to, a condition in which the Insurer makes claims payments for losses resulting from an earthquake that occurred within the preceding two years and that required a reduction in policyholder surplus of at least twenty-five percent (25%) for payment of those claims; or
 - iv. The Insurer has lost or experienced a substantial reduction in the availability or scope of reinsurance coverage or a substantial increase in the premium charged for reinsurance coverage for its residential property insurance policies, and the Commissioner of Insurance has approved a plan for

Cancellation / Nonrenewal – California

the nonrenewals that is fair and equitable, and that is responsive to the changes in the Insurer's reinsurance position.

- f. If a state of emergency under California Law is declared and the residential property is located in any ZIP Code within or adjacent to the fire perimeter, as determined by California Law, the Insurer may not cancel or non-renew this policy for one year, beginning from the date the state of emergency is declared, solely because the dwelling or other structure is located in an area in which a wildfire has occurred.

However, the Insurer may cancel or non-renew:

- (1) When the Named Insured has not paid the premium at any time and the Insurer lets the Named Insured know at least 10 days before the date cancellation takes effect;
 - (2) If willful or grossly negligent acts or omissions by the Named Insured, or his or her representatives, are discovered that materially increase any of the risks insured against;
 - (3) If losses unrelated to the post-disaster loss condition of the property have occurred that would collectively render the risk ineligible for renewal; or
 - (4) If there are physical changes in the property insured against, beyond the catastrophe-damaged condition of the structures and surface landscape, which result in the property becoming uninsurable
- g. If this policy contains an exclusion barring coverage for the peril of corrosive soil conditions, the Insurer shall not cancel or refuse to renew the policy solely because corrosive soil conditions exist on the location.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.
