V25-06-12 – Tristan Moreau requests a variance to CLURO Section 10.8.2.6. Land Uses located in B-1, B-2, B-4, O/R, PM-1, PM-2, M-1, and M-2 Districts, Commercial Hwy 22 Mandeville, B-2 Highway Business District, 3847 Hwy 22

Mr. Rhinehart asked if this would still go to Design Review after this commission? Mr. Weiner responded it would not because this is a variance for the signage colors. If this is denied and they were changing it to something else, that would go before Design Review.

Karen Gaureaux arrives at this point

Mr. Quillin asked since this building was recently painted was that through Design Review? Mr. Weiner responded that it has not. Ms. Fulton asked is it possible the branding could still be achieved via signage or if that would that be considered inadequate? Tristan Moreau 10 Surf Place Mandeville (applicant) said he would consider that. It is important for them to be as consistent as possible with all locations. If the commission is not in agreement, he is confident that they would be able to come up with some alternative design. Mr. Quillin asked if these the colors of the logo? Mr. Moreau said they are incorporated into the logo.

The current sign and changes to the current sign were discussed. Thomas Keiffer 219 Marigny Ave (applicant) clarified for the commission it will not be a neon sign but will be illuminated and will be on a timer. The only request is to have the sign on the street side instead of the parking lot side. The previous approval of the size and mounting of the sign were discussed.
