- <sup>1</sup> The figures shown in this column for the offense of rape were reported using only the revised Uniform Crime Reporting definition of rape. See the data declaration for further explanation.
- <sup>2</sup> The FBI determined that the agency's data were underreported. Consequently, those data are not included in this table.
- <sup>3</sup> Because of changes in the state/local agency's reporting practices, figures are not comparable to previous years' data.
